

QUENTIN ORR

MOTION DESIGNER

I am a Motion Designer with over 8 years of agency experience and 4 years of motion leadership at a tech startup. I collaborate with the marketing, web, and product teams to create and manage all motion assets throughout CompanyCam from brand and explainer videos to lotties for web and app animations.

PROFESSIONAL EXPERIENCE

Motion Design and Art Direction

CompanyCam | Feb 2022 – Current

- Lead the motion function of the Brand Team, creating and maintaining the motion design guidelines for the company, and collaborating with other teams to evolve the design and video brand guidelines.
- Create motion templates and guidelines, while maintaining large animation libraries for other teams.
- Create high level animations for brand and explainer videos
- Collaborate closely with the product design, engineering, web, and marketing teams to create motion assets that are consistent across all functions.
- Develop talent by providing direction, feedback, and mentorship to junior animators.
- Drive the vision, development, and stakeholder presentation of motion concepts and storyboards.

Senior Motion Designer

Swanson Russell | 2018-2022

- Collaborated with Art Directors and Creative Directors to create high level motion design and video post-production for large outdoor rec clients like Arctic Cat, Leupold Optics, and Minn Kota.
- Conceptualized and communicated motion and video ideas to stakeholders through strategic presentations.
- Created motion design that informed the graphic direction of multi-channel creative campaigns.
